NOTE FOR: Mr.  via Mr. Worley

SUBJECT : Seminar #6

25X1

Place : 

Date : 20 - 25 September 1970

Grade Group: GS-15

Problem:

What can be done to increase attractiveness of the several retirement systems? Has CIARDS implementation and operation met its objectives? Is dramatic reduction in life insurance coverage under Agency-sponsored programs upon retirement a deterrent to an employee who might otherwise opt for early retirement? If so, what can be done to minimize the situation?
